

4-3-11

Meeting called to order 2:16 pm at Omak civic league park

In attendance: Killian, Dalbach, Oso, Conuil, Cerdic, Aelfwyn, Rose

Officer reports

Exchequer sent a note:

Red Lantern deposit was \$764, auction for charity was \$254.50. Oso mentioned we needed to make sure to get a check written and sent out to the cancer group.

We have a total of \$1400.13 but that includes the donated money.

The exchequer would like a deputy so that they can be trained for when she steps down in October.

We need to close the coulee dam credit union account and the easiest way to do that is to transfer remaining money to the new account by writing a check. The Credit Union will close the account for lack of funds.

The old old known world handbooks are being zeroed out and either donated to newcomers or to auction

Arts and Sciences:

There was a meeting on March 13, Teagan and Aelfwyn attended and worked on inkle loom.

The kingdom contacted Oso and asked where the charters we were doing are. She informed them that we had not actually received them yet. They will rush some out to us but they want them back by May Crown. A scriptorium was discussed.

Seneschal:

Is anyone going to the medieval faire in Cranehaven and could they take the wall down to them? A ride back for it is scheduled. It needs to be rerolled. We do not have a contract with them but we do have an email stating the agreed upon price. Oso would like a contract in the future.

Kelly may be able to take it down on Thursday.

The Tonasket group may need the wall again but most likely not the pavilions.

Killian will send out a reminder to see if anyone can help.

New Business

The A&S champion theme is "open". Documentation will be required. It does not have to be kingdom level but it does need to exist.

Killian would like newcomer posters to be placed at the local college. Maybe we can do a demo. If the shire does not get some new blood we will be unable to continue as the core group has gotten older and has many more responsibilities.

The Kingdom events coordinator would like Dregate to host either May Crown 2012 or July Coronation 2012. The concern is that we do not have enough people anymore to put on an event like that

We should do more demos at the Twisp farmers market as we were well received there.

Even if it means just handing out newcomer pamphlets with a calendar.

Dalbach will talk to people at the college and see if they would be interested in a medieval art club. He will approach David Lindeblad and see if he would like an advisory role.

Revel paperwork is being filled out. It will be held September 9th to 11th.

Please check into signing up for the relay for life. Dregate again has a team and Dubheasa is the captain. Contact her for more info. There is a link on the front page of the dregate website.
